IMPORTANT PRODUCT SAFETY INFORMATION

ADVISE CONSUMERS OF AN ELECTROCUTION HAZARD WITH DO – IT – YOURSELF REPAIRS OF MICROWAVE OVENS.

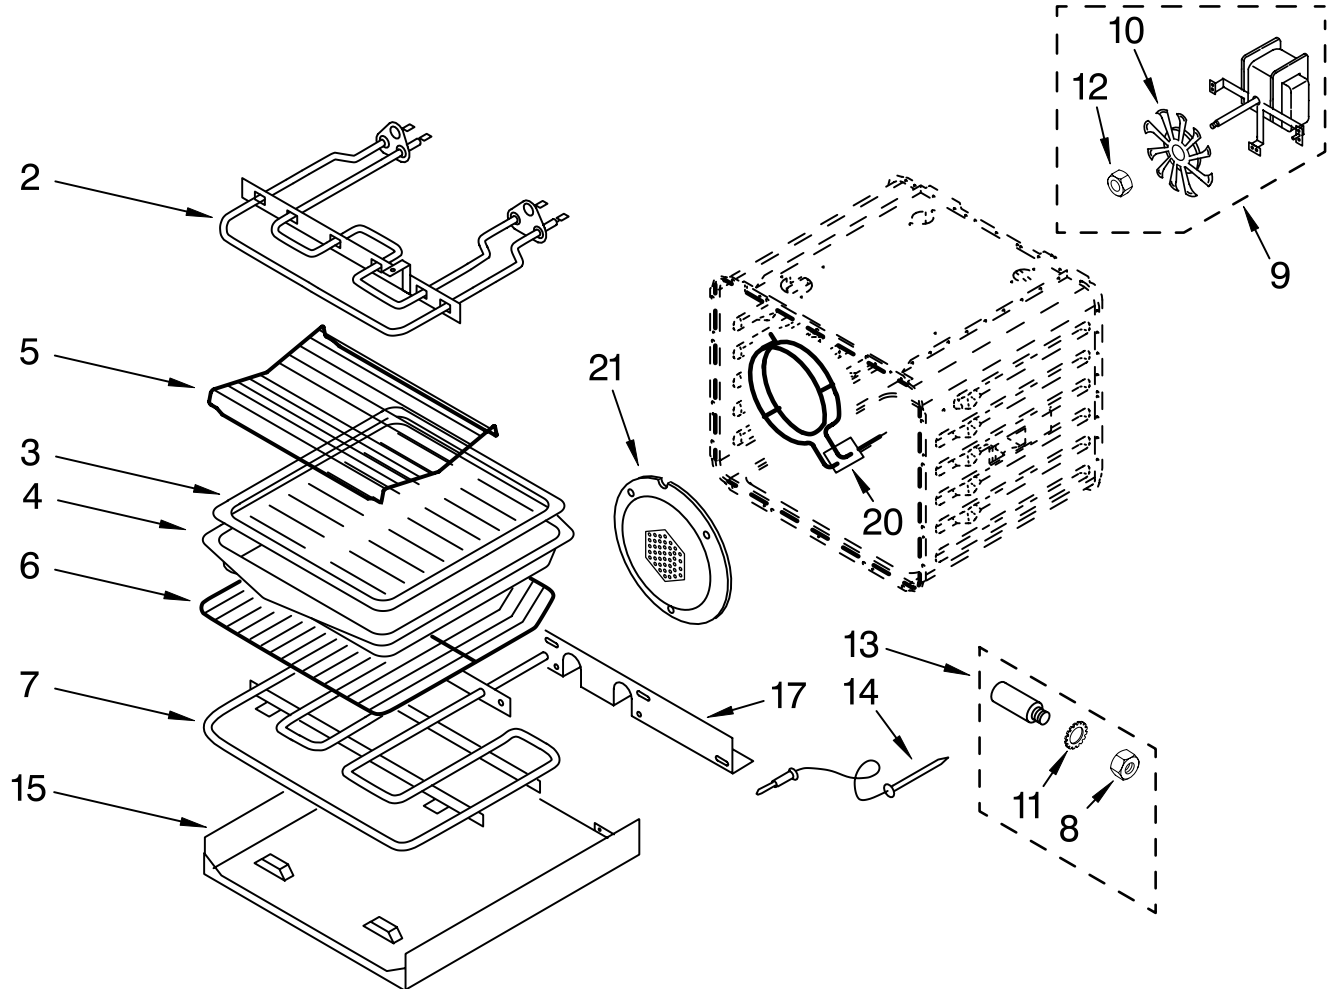

The U.S. Consumer Product Safety Commission warns against do – it – yourself repairs of microwave ovens. Microwave ovens use high voltage which makes it particularly hazardous for consumers to remove the cover and touch electrical parts.

STRONGLY RECOMMEND THAT CONSUMERS HAVE PROFESSIONALS REPAIR MICROWAVE OVENS.

This diagram illustrates the exploded view of a mechanical assembly, likely a small motor or actuator. The components are numbered 1 through 58. The central part of the diagram shows a dashed outline of the assembled unit. Surrounding this are various sub-assemblies and individual parts:

- Top Section:** Includes a circular component (23) with a central shaft, a flat circular plate (24), a small lever or arm (22), and a larger circular disc (36). A small component (35) is also shown near the disc.
- Right Side:** Features a conical component (42) with a small cap (56), a small rectangular component (25), a battery or power source (12), a small cylindrical component (27), a small rectangular component (28), and a small rectangular component (1).
- Bottom Right:** Shows a motor or actuator unit (11) with a mounting bracket (53), a small screw (4), a small component (29), a small component (44), a cylindrical component (14), and a gear or pulley (45).
- Bottom Center:** Includes a small component (3), a small component (54), a small component (18), and a small component (5).
- Bottom Left:** Features a small component (38), a small component (37), a small component (15), a small component (2), a small component (41), and a small component (49).
- Left Side:** Shows a small component (39), a small component (40), a small component (17), a small component (48), a small component (50), and a small component (51).
- Top Left:** Includes a small component (10), a small component (7), a small component (8), a small component (43), a small component (32), a small component (9), and a small component (6).
- Center:** Features a small component (20), a small component (58), a small component (55), a small component (21), a small component (19), a small component (47), a small component (30), a small component (57), and a small component (26).
